Raiders Explode

With Spirit!

Pep rallies of 1980-81 proved to be some of the best pep rallies ever at North. Every class showed lots of spirit, but the super spirited senior class dominated. The cheerleaders led the Raider fans in sidelines to get everyone psyched up and the teams ready to win!

Bright And Bubbly

"Being crowned Homecoming Queen was very exciting, surprising and really special," in the words of Angie Current, daughter of Mr. and Mrs. John Current. Tim Sloan has sponsored Angie for the last 3 years and last year she was 2nd runner-up

Energetic and exciting describe Angie's bubbling personality as she brings joy to everyone she meets. Active in school, Angie is a member of yearbook, drama, Keywanettes, and Monogram Club. She is secretary of the Beta Club and varsity cheerleading captain.

Responsibilities of our Homecoming Queen have been to crown the Harvest queens at East Iredell, to be a visiting queen at the Miss NHS Pageant and other schools, and to represent North in the Christmas Parade

Activities and Events Make

1) Sophomores show off their winning float. 2) Super-spirited Sally bums around for Hobo Day. 3) Our distinguished Homecoming court takes a break. 4) Court hopes that practice will make perfect. 5) Girls attentively watch their sponsors. 6) Tim Johnson tries his hand at fire-twirling. 7) On Sept. 19, 1980, the Homecoming queen and runners-up were chosen by the football team. A Profitable Future

Supporting your school is fun, especially when you do it at a profit. Take Deanna McLelland who was the top salesperson this year in the magazine drive with a total sales of 135 magazines. This is no big deal for Deanna because she was also the top salesperson her sophomore and junior years.

The secret of her success is being willing to listen and talk to people. For instance, Deanna once spent an hour talking to a 98-year-old man. She didn't sell a magazine, but she felt it was definitely a profitable hour.

Interesting conversations weren't Deanna's only reward. She has won everything from a T.V. to luggage. She also has many dream pets and other fuzzy things. It is obvious that Deanna is headed for a profitable future.

"On Broadway" Is Theme for

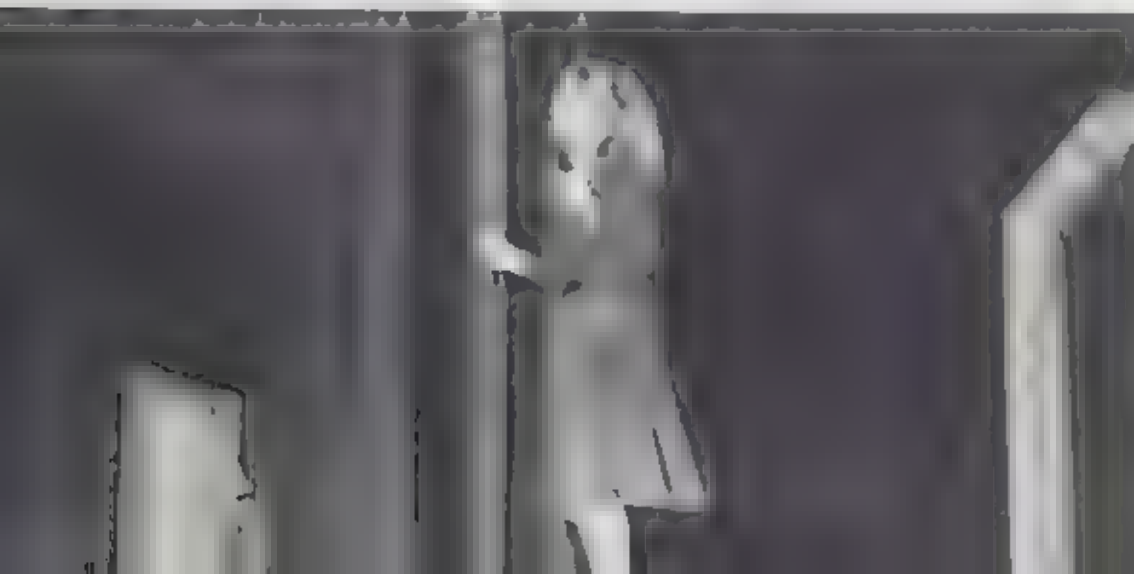

A Memorable Year

"A freshman could never be Miss North Iredell" That's what they told Betsy McLain. But nevertheless, Betsy became the first freshman to be chosen as Miss North Iredell

It was a year of hard work, and responsibilities, as well as some hard times. Among her duties, were appearances at parades and sometimes performances at programs. Because Betsy was able to meet people, perform at various programs and represent her school, Betsy feels it was a rewarding experience. Now that her reign has ended, Betsy admits that she will miss it quite a bit. However, she will compete in other pageants and assist the new Miss NIHS, so there are more good times in store

At Long Last

Sometimes persistence pays off. After four years as a contestant in the Miss North Iredell pageant, Jill was chosen as Miss North Iredell for 1980-81. As a sophomore, she was chosen as second runner-up.

Jill entered the pageant to gain stage experience in modeling and singing. Winning came as a lovely surprise. The pageant reflected a lot of hard work and long practices, but Jill feels it was worthwhile. Her advice to anyone entering in the future is "Don't participate unless you're sure it's what you want to do." After four years as a contestant, you can be sure Jill knows what she's talking about.

Make Great Performances

A Very Enjoyable Hobby

Persistence certainly has paid off for Tammara Taylor, this year's assistant drum major for the North Fredell Marching Raiders

Tammara has participated in band since the seventh grade, playing the alto saxophone. She is also a member of the newly formed Jazz Band, performing several solos

Tammara's interest in music began as a way of expressing herself. She hopes that others get as much pleasure from listening to her as she gets from performing

She enjoys being in band and wants to be in band in college. However, she does not want to make it her career, only a very enjoyable hobby

Many activities and performances by the drama class, "Caught in the Act", have made this year an extremely busy one. The students in drama performed as clowns at Clark Equipment, the Arts and Science Museum, elementary schools and also at various birthday parties. They also performed Christmas shows for elementary schools. When retired teachers and young children came to visit North, members of the drama class were there to do interpretations for them. Many students helped out with the "disaster drill" that was held in November to test the area hospitals.

Besides being involved in one-act plays near the end of the year, the class was represented in competition in Wilmington by the play "The Mannequin". Members of the cast included Don Campbell, Jill Thomas, Anita Galliher, and Brett Goodman. Anita Galliher received a special effects award for her fascinating performance. All cast members and crew worked very hard on this play and others.

When they said talent, they weren't kidding, when the Student Government sponsored the 6th annual talent show, which had something for everyone, including rock and roll, bluegrass, country and western, jazz, and gospel.

Sue McLain, Kenneth Bradshaw, and Page Rose Cook served as judges. The NIHS Jazz Band won 1st place. Second place was shared by The Phase Four and the Rock Bottom Band. Bringing up a strong third was a four-way tie: Deanna McLelland and Kathleen McCann, June Ireland, The Dixie Land Express, and Heavenly Angels.

Friday the 13th Brings

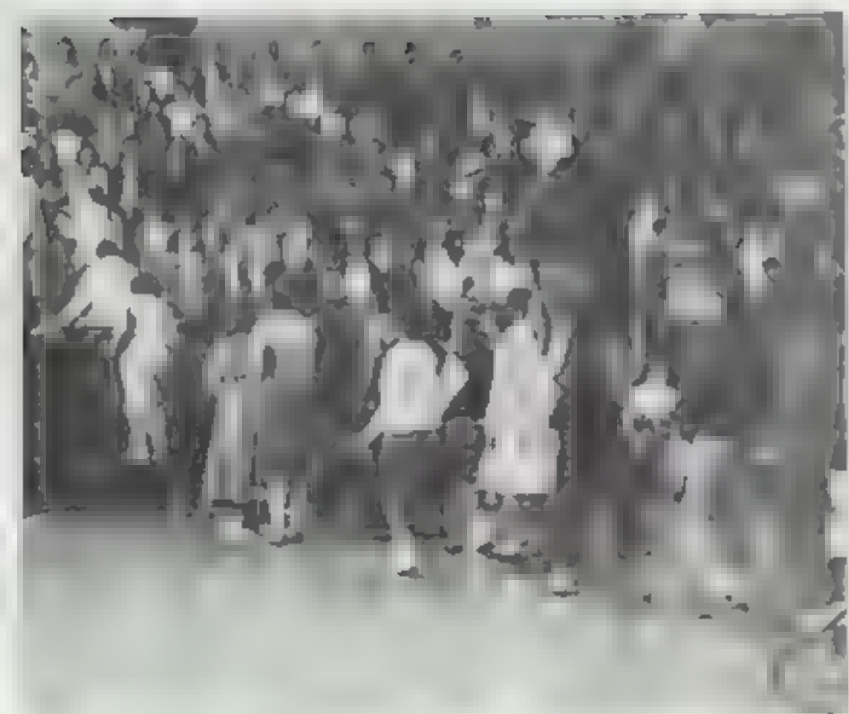

Despite the superstition of bad luck on this day, Friday the 13th was a day that will be well remembered at North. "Greaser Day" is always an exciting day of the year and with the excitement of the student body, the "Greasers" were the coolest ever. Spirit and enthusiasm were in the air for the last pep rally of the year and it really came through during the pep rally with the Super Spirited Seniors capturing the spirit stick once again. Following the pep rally, the sock hop got all the greasers rockin' and rollin'.

The French Club once again sold carnations on Valentine's Day to give to that "special someone". All in all, Friday the 13th was a day that will long be remembered.

Cheerleaders Cheer Raiders to Victory

Cheerleading

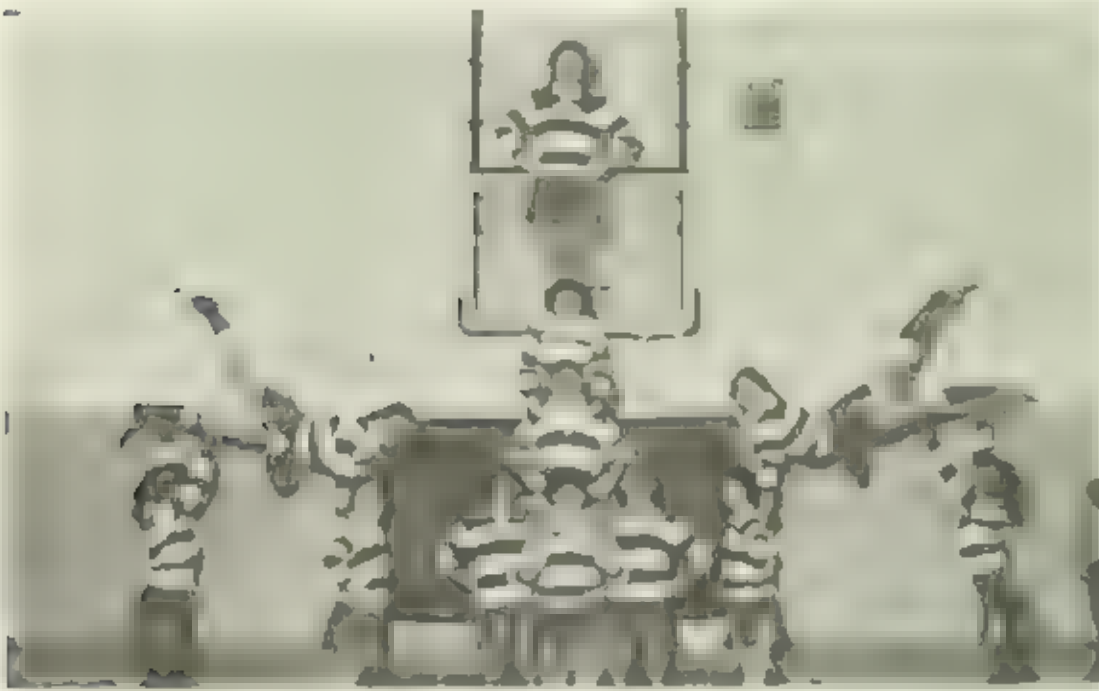

The 1980-81 Varsity Cheerleading Squad was a group of very spirited young ladies. They attended the Golden Eagle Cheerleading Camp this past summer at LNCC where they received an overall spirit award and were among 5 squads chosen to compete in the run-offs during final evaluation. They did many spirit raising activities within school this year including 6 pep rallies, a homecoming bonfire, a Mr. Legs contest (which was won by Todd Stroud), and a sock hop for greaser day. North is proud to have such an outstanding squad support its teams

North is proud to recognize a really spirited cheerleader on this years varsity squad, Marcy Bradshaw. Marcy has cheered for seven years and started because she looked up to high school cheerleaders. She is now co-captain of the squad and feels that cheering makes school more exciting. She values the closeness between herself and her fellow cheerleaders and feels that this is the key to a good squad.

Scenes From An Outstanding

An outstanding performance by the 1980 volleyball team boosted them to a 3-way tie for first in the NWC. Alexander Central and Watauga and North had to have a conference play-off to advance to the district play-off. North lost, but made an outstanding showing. They became North's first volleyball team to win the conference title

For many years, Amanda Sprinkle has been interested in volleyball. She began playing for recreation, and has this year worked her way up to co-captain of the school's team. Amanda thinks that volleyball is a challenge, "You never know what to expect." It is never boring and is always different to her. Amanda takes volleyball serious in school, as is indicated by the team's tie for #1 in the conference, but it's not as tough when she plays for recreation. She has received All-Conference and Co-MVP honors for her ability. Amanda contributed a lot to the success of this year's outstanding volleyball team

For Tim's outstanding effort, he was selected as all-county defensive-tackle

Varsity Campaign

The 1980-81 Junior Varsity team finished 4-5 in their season. They were coached by Coach Blackwelder, Coach Lail, and the remainder of the coaching staff. The players displayed great determination and desire to win. They suffered some losses to some fierce rivals. However, their future looks bright due to the dominance of freshmen on this year's team. Much talent existed on the J.V. team and this could very well prove beneficial to the varsity in future years.

A Final look at a Great Year.

The NIHS Raiders of 1980-81 finished their season with a 6-4 mark, the best in the school's history. Nearly every school record was broken. North's David Chambers was named conference and county player of the year. Through hard work and dedication, goals were achieved and records set. Let's take our hats off to the best football team ever.

He repeated this outstanding record his sophomore year and worked his way up to second in the regional tournament. In both his junior and senior years, Kyle came in second in the county Christmas tournament. As well as achievement, Kyle likes wrestling because it keeps him in shape. North is proud to have Kyle represent it at 112 weight on the 1981 team.

The Thrill of Victory . . .

As each year comes and goes, so do the thrills of record breakers and the agonies of injuries and loss. This year, the Cynosura remembers David Chambers as MVP choice for the Conference and the County in football. We remember the Varsity girls basketball team capturing the Holiday Tournament as well as being the NWC Tournament Champions. Both tournaments provided us with MVP choices, Mary Myers and Janice Turner. For the first time North's Volleyball team finished first in the conference, and North had its first winning football season. Not all is good though, we remember Bridget Burch's unfortunate jump, William Jurney's knee surgery, Jimmy Howard's hip surgery, Howard Henderson's crushed hand, David Harkey's fractured finger, Jill Cranford's broken foot, Tim Sloan's broken hand, and Mike Sloan's shattered ankle. Yes, this year has truly brought a lot of enjoyment and excitement for the many fans of the North Iredell Raiders.

. . . The Agony Of Defeat

Track Teams Look Hopeful With

Quarter miler, Todd Fox, is an outstanding member of the NIHS track team. Todd has run varsity track since his sophomore year. He runs the 400 meters and 1600 meter relay. In his junior season Todd was conference and county champion in the 400 as well as anchoring the mile relay, which also won county and conference honors. North commends Todd for his achievements in track.

1st row-Nita Steele, Crystal Pearson, Deborah Gillon, Sharon Harrison, Paulisa Jackson and Lisa Tate. 2nd row-Susan Church, Laurine Weatherby, Donna Nichols, Joan LaBuda, and Mary Myers

They're on the starting line. The gun sounds and the 1981 track season is off to a great start. In boy's competition, some returning champions to watch are Robert Baker, Todd Fox, Odell Williams, David Chambers, and the mile relay team. In girls action some fine performers to watch are Joan LaBuda, Mary Myers, Sharon Harris, and Laurine Weatherby. North Iredell has a fine track tradition started so let's support our fine runners.

The Return Of Top Performers

1st row-Buddy Hutchens, Odell Williams, Mark Wellman, Howard Henderson, Kevin Stackhouse, Tim Johnson, Robert Baker, Harold Smith, Larry Morrison, and Tommy Butts. 2nd row-Tim Sloan, Mike Sloan, Todd Fox, Ken Butts, Tyrone Redmond, Eddie Leach, and Maurice Nichols

Some people seem to spend their life on the run. Mary Myers is one of them. She has spent four years on the track team and has participated in a variety of events including hurdles, the 880, the 220, shot and discus. Mary enjoys the teamwork and sense of fulfillment that comes from track. She was voted last year as most-improved runner and is indeed a fine runner.

Cross Country And Tennis Are

NEW SPORTS

Added To North's Sports Arena

An aspiring young runner has made a good showing for North Iredell in the state. His name is Robert Baker. Robert came in third in the state in cross country and first in track in the 2-mile. Robert has run track for years and is pleased to participate on North's cross-country team. Robert believes that cross-country really keeps him in shape and he loves the competition. NIHS is proud to have Robert represent us as he gains more honors in the state

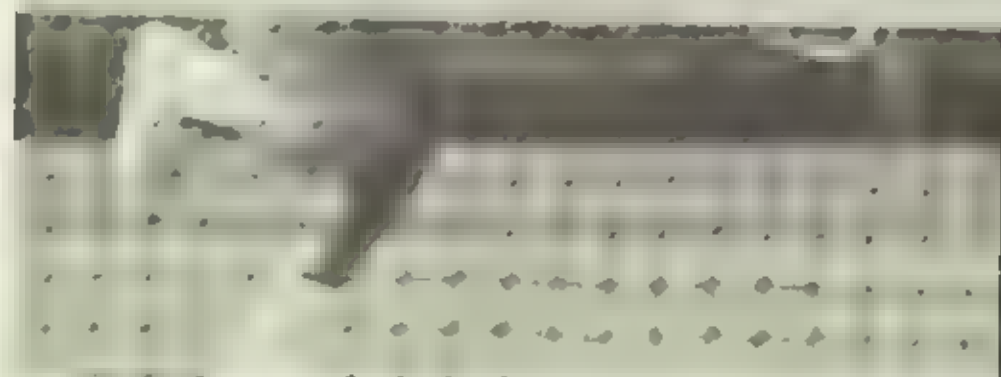

North Iredell's 1980-81 cross country team consisted of six hard-working members. They include Tommy Butts, Deanna McLelland (seniors), Robert Baker, Buddy Hutchinson, Lisa Tate, and Harold Smith. Due to their combined efforts, these members have established a good solid ground for future NIHS cross country teams to build from.

Raiderettes Make a Good Showing

1st row - Sue Liles, Carolyn Harris, and Coach Welborn. 2nd row - Lisa Johnson, Karen Smith, Janet Hewitt, Sarah McCoy, Jill Cranford, Alicia Wise, Yvonne Barbee, and Sue Reid

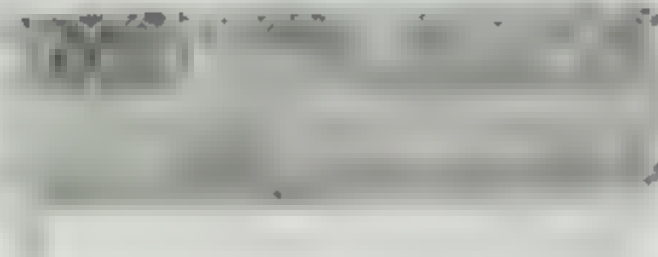

A major influence behind NIHS's first tennis team was Sarah McCoy. Sarah got interested in tennis through her friends. She believes that tennis offers one the satisfaction of being able to prove themselves as an established player because one is given the chance. She quoted "It takes away a lot of free time but I've got it. (F36-2436). Call me any time

In their First Season

In her first year of competition Jill Cranford contributed much to the tennis team, which experienced a successful season in *its* first year. Her playing was cut short by a foot injury which prevented her from competing in a number of key matches. Jill said that the thing she enjoyed most about tennis was the opportunity to become close to her fellow players and her coach

5

6

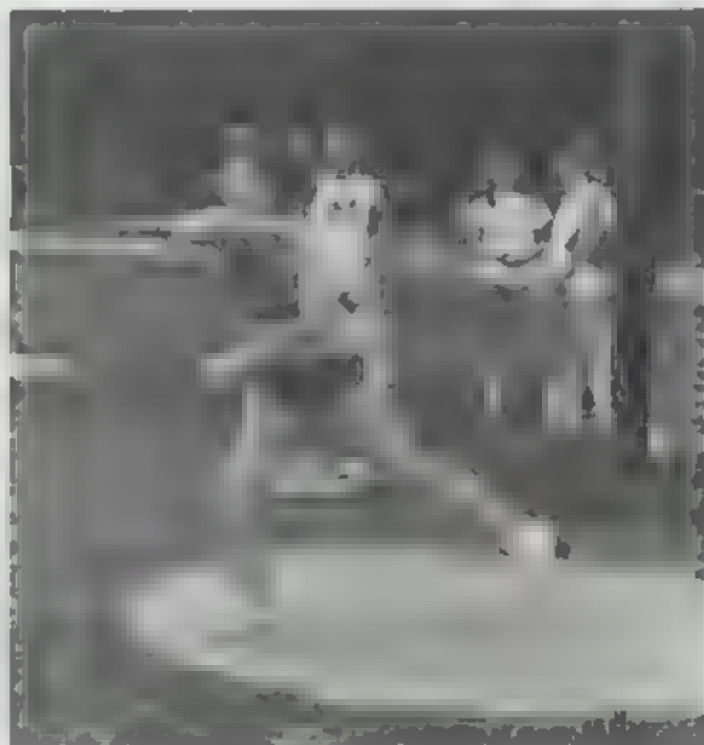

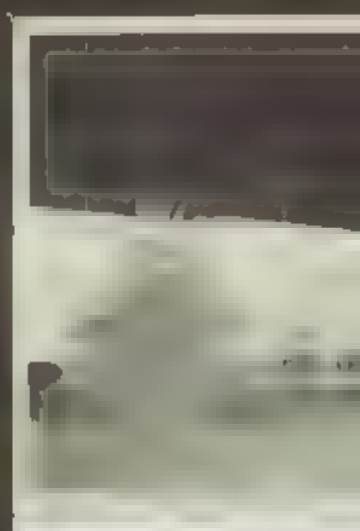

This year North was honored to sponsor its first guy's tennis team. An outstanding participant of this team was Eric Koenig. Eric has been playing tennis for eight years, where he began by practicing with the high school team in Michigan. Eric believes tennis is a great individual sport where the player controls the results. "It's an individual sport that not only takes physical ability, but it also requires some brain-work," commented Eric about the game. Eric made a fine showing for the Raiders as North's first team debuted in 1981.

Exploring New Worlds

Aubrey Correll feels as much at home in the water as out of it. An avid scuba diver, Mr. Correll and his son, David, enjoy diving in lakes and rivers for treasures. He thinks the underwater scenery is part of a different and beautiful world. He also enjoys other outdoor activities such as hunting and fishing. Mr. Correll's favorite advice is "Take time to show a child a rainbow because the work will always be there," and his professional goal is to work for the time when North Iredell can be proud of having the best P.E. department in the state. "Coach" Correll is married and the father of two sons, David and Dennis.

Self-Satisfaction

"I'm right where I want to be," Gail Henderson proudly states, and she will offer anyone her favorite advice: "Don't take yourself too seriously! Be able to laugh at your mistakes." She enjoys gardening, doing needlework of all types and learning from her three-year-old daughter, Beth. Mrs. Henderson plays the organ and is a Sunday School teacher at Snow Creek Methodist Church. She wants to reach all her students and help make their lives a success.

A Good Listener

Spending time with his wife Patti and his 8-month-old daughter, Sarah Elizabeth, is Brady Johnson's number one priority, but he also manages to delve into photography and darkroom work and take excursions to the Outer Banks. He enjoys country music, especially the Statler Brothers, and believes a person should listen three times as much as he or she talks. Mr. Johnson is active in church and takes the young people on outings. He can often be found at his wife's jean shop, working on his goal of increasing his "wealth".

The Adventurer

Traveling is a favorite pastime of Lucinda McClure. She has visited Canada, New Orleans, and Houston, Texas and especially enjoyed an evening at Gilley's in Houston. Jazz and some pop songs, are among Ms. McClure's musical favorites, and New Orleans provided her with some of the best in jazz. She is very excited about her new job in the Home Economics Department and hopes to be able to reach out to each of her students. Welcome Ms. McClure!

A Real Inspiration

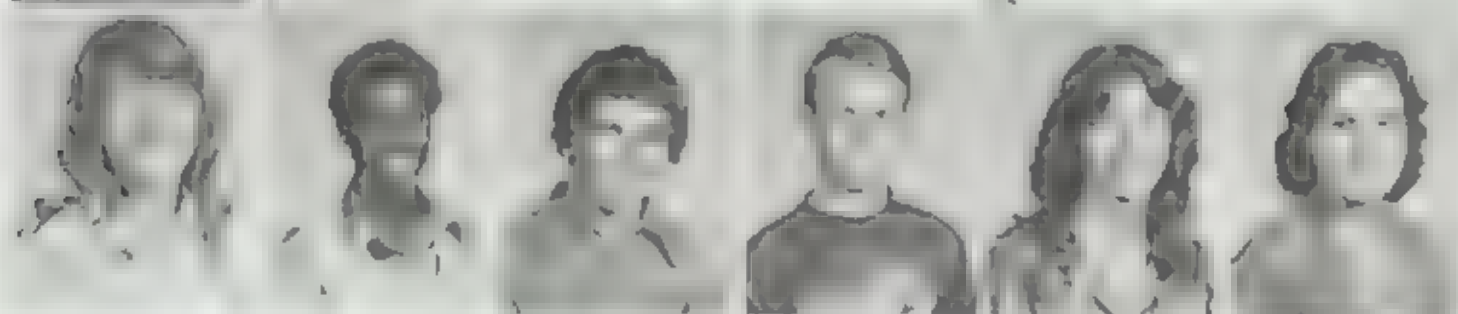

There are some very special people at North. Among them is Ricky Cheek. Ricky has a hearing impairment. For most of us this would be an insurmountable problem, but with Ricky it is hardly noticeable. He is proficient at sign language and lip reading. With these two skills Ricky functions quite normally. Except for visits from Melissa Butler, county hearing impairment instructor, he has a normal curriculum. He takes agriculture and his favorite subject is math.

Away from school Ricky's life is quite normal. He has a job as a carpenter. The rest of the time he pursues his hobbies: car racing, watching T.V., girls, and rock music. It would be great if only everyone could handle their problems as well as Ricky.

Scotty Lunsford, 14-year-old son of Mr. and Mrs. Allen Lunsford, is really into gospel music. He is a member of The Gospel Voices singing group, made up of Scotty, Allen, Maurice, Dwayne, and Clay Lunsford, also Randy Melton and Kim Felts. The group plays at different churches in the area.

When Scotty is performing with the group, he plays the base guitar and the drums. In order for Scotty to sound his best, he practices with the group on Wednesday nights

Scotty also has been playing football since he was in the fourth grade. This year he is second string quarterback for the school's freshman team. Overall, Scotty is an all American guy. His favorite food is even peanut butter

A Bluegrass Tradition

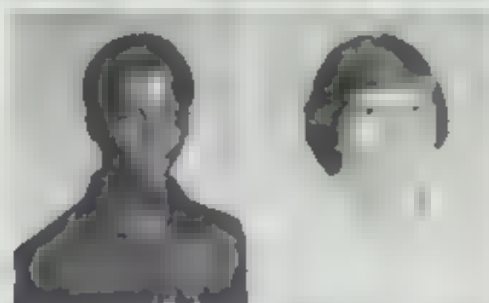

For Dennis Cline playing the guitar comes easy; he's one of the best guitarists in the state! He has already taken top honors in Florida, South Carolina, Virginia, and Tennessee. Dennis has been playing the guitar for ten years, and his Dad is a world champion bluegrass player.

Dennis likes to hunt, fish, and ride motorcycles when he isn't playing his guitar. His future plans are to go to Tennessee and play in a bluegrass band. He is the 14-year-old son of Ray and Dorothy Cline of Olin.

Aiming For Perfection

Amy Cartner seems to be doing her best to set the standard as the perfect freshman. At fourteen years old, she is the youngest and only freshman member of North's varsity girls basketball team. Her age may set her apart, but her obvious skill helps her fit right in. Basketball isn't Amy's only sport. She was also one of the two freshman members of North's undefeated B volleyball team.

Amy excels in more than sports. At Harmony, Amy had the highest grade point average in her eighth grade class. At North her teachers describe her as a model student. Freshmen may not be perfect, but this one tries.

A Prize-Winning Seamstress

Regina Medlin has her free time all sewn up. She has helped in the house with baking and sewing since a small child and has always had an interest in crafts. This experience and skill earned her eighteen ribbons in the Iredell County Fair this year for projects such as a skirt, macramé, cross stitch, and crafts. Regina is proud of her awards because the competition is tough. She has already started on next years! She used several of her projects for Christmas gifts. Regina wants to major in home economics or something pertaining to child care. She is the daughter of Dick and Sarah Medlin of Rt. 4, Statesville.

The class of '83 has many outstanding athletes, and one who stands out is Barry Turner. Barry, the son of Mr. and Mrs. Harry Turner of Statesville, began playing organized football in the fourth grade, and as a result of his hard work, he achieved the honor of being the only sophomore to play on the varsity football team this entire season, playing the noseguard and defensive tackle positions alternately. Bluegrass And Good Times

Pickin' and grinnin' come easy for Chester Henderson. The laidback style of North Iredell students is exemplified in his music and his manner. Chester began playing the banjo in 1978, and after only five months, he joined the Southland Ramblers, a country music-bluegrass band. The band has performed at Carowinds, Charleston, Virginia, the Iredell County Fair, and the State Fair.

Chester's favorite part of playing in the band is practicing in their house near Virginia, where he also plays the guitar, mandolin, and piano. He would like to have his own band and make music his career. His parents are Mr. and Mrs. Clyde Henderson of Old Farm in Statesville.

A Man Of Many Talents

Among the many outstanding juniors at NIH5, Brett Goodman deserves special attention. He started working as a dairy farmer at the age of ten, and since coming to North, he has been an avid student in agriculture and FFA. He has participated in contests such as the State of Tools and Materials and a public speaking contest. This hard work has paid off. Brett was a Chapter Sentinel of the FFA as a sophomore and is vice-president this year. Brett's interests extend beyond agriculture. He is also a hard working and dedicated drama student. Recently he helped represent North in the state drama contest at Wilmington, where he played Al in the lead role of a play entitled "The Mannequin". For listening pleasure, Brett enjoys listening to such country stars as Willie Nelson, Waylon Jennings, and Emmylou Harris. In Brett's future, whether he's farming, acting, or just listening to country music, he is sure to be a success.

State Champion - Philip McAuley

It was a long hard pull through county, district, and state 4-H competition but after completing a successful alfalfa crop production project Philip, the 16-year-old son of Mr. & Mrs. George McAuley, is on his way to Chicago for national competition. Beginning at age 9, Philip has attended monthly meetings and completed various other projects in 4-H. This past summer he represented an ABS project in Raleigh. All in all, it's obvious that Philip has a very promising future in 4-H.

Politically Minded

The class of '82 may have a future political leader in Julie Everidge. She is in the House of Representatives for the junior class in Student Government and is in the World Affairs Club, where she represented Saudi Arabia this year at Applachian State University's Model United Nations

She works part-time in the Pink Tea Room at Iredell Memorial Hospital and is a member of Pressley Memorial ARP church, where she sings in the junior and senior choirs. Julie enjoys painting and has been taking art lessons for the past five years. She is the 16-year-old daughter of Mr. and Mrs. Wayne Everidge of Rt. 12, Statesville

The Gospel Way

A new development has arisen in the junior class. Instead of a rock band, a group of seven juniors have formed the Gospel Way Singers. Members are: Kent Millsaps, Terry Moore, Karen Godfrey, Tommy McLain, Doug Patterson, Melanie Baker, and Lisa Sloan, who sing at area churches and are all strong religious members

of mixed denominations. They hold services, sing at revivals, or at local churches. Their theme is Psalm 34:1, "I will bless the Lord at all times: his praise shall continually be in my mouth." They like to sing for youth because they feel that "when youth sing, youth listen."

Music Man

The Junior class has its own Pied Piper, Mackie Morrison. You can hear him playing loud and clear in North's marching band. He holds the position of 1st trumpet. He is proud of his place in the band, and he's proud of the band. Mackie believes the band is gaining respect with the student body. They deserve it too because as Mackie put it, "Every time we play, we're getting better."

The marching band isn't the only place you can hear Mackie playing. He also plays trumpet for the jazz band. Mackie had to audition for the parts in keen competition. In the marching band, he is one of three 1st trumpet players out of twelve. He is the only 1st trumpet player among five in the jazz band. He was selected for all county band.

Mackie is also a talented singer in North's Gospel Chorus. He doesn't plan to forget music after he graduates. Mackie plans to study music and then get a job in a professional band. So, expect to hear more from Mackie and his trumpet.

In Memory Of Brad Redmond

Brad played J.V. Basketball during the 79-80 season. Brad was a dedicated young man who came to practice and accomplished all the tasks asked of him. Although Brad never played, he served as a manager during ballgames and was always ready with a helping hand when players came to the sidelines. He was a fine young man and all the members of the 79-80 J.V. basketball team feel fortunate to have known Brad

Boosters (Community and Faculty Lending Their Support)

The boosters have given support to several areas of the school including AFS, Paw Project, Cheerleaders, and the Football team.

Dear Patron,

The staff of the 1981 North Frederic yearbook would like to express its sincere appreciation for your support in producing this year's edition. It is indeed costly to produce a yearbook, and it certainly makes a difference when our community supports our school and student body.

We hope that you will be well pleased with your advertisement in the 1981 edition of the Cynosura. If any problems arise, please notify us.

Sincerely,
The Staff of the 1981 Cynosura
